Paint Branch High School Educational Foundation

VISION:

To support Paint Branch High School (PBHS); its students, staff and families.

BACKGROUND:

This all-volunteer Foundation was formed in June of 2007. It is a tax-exempt 501(c)(3) organization, which is governed by a Board of Directors. All contributions are tax deductible to the extent allowed by law. This Foundation assists PBHS in providing a positive and comprehensive educational experience for all students.

MAJOR OBJECTIVES:

- 1) Providing support for the activities, programs, projects, equipment and facilities of Paint Branch High School;
- 2) Identifying and supporting new programs for Paint Branch;
- 3) Facilitating relationships between Paint Branch and its community, including alumnae/i, parents, and neighboring businesses;
- 4) Providing support for continuing education, professional development and training for the staff, parents, and legal guardians of Paint Branch.

ACTIVITIES:

- 1) Fund-Raising: Plan and conduct activities to benefit PBHS.
- 2) Publicity: Promote PBHS - both within and outside of PBHS.

Paint Branch High School Educational Foundation, Inc. - *Why We Matter!*

Many of the needs of our community can no longer be met merely by relying on funding from the Montgomery County budget. Shortfalls are already affecting the date for the construction of our new school, and the possibility of a scaled back project always looms. If we want to continue to meet the needs of all our students, we need to think creatively and outside the restrictions of established organizations like the PTSA, which must follow National PTA rules.

- We want to help our students reach their dreams, by providing scholarships.
- We want to help our staff continue to develop professionally by providing grants. We want to help our families by providing supports not available elsewhere.
