

Paint Branch High School Commemorative Keepsake

(Note – Keepsake is 2¼ X 3 inches. Keepsake will come in a gift box with ribbon attached.)

Paint Branch 1969-2012

In less than one year, the Paint Branch High School building that is home to so many important memories for our community will be no more. As our tradition of excellence moves forward to our new, state-of-the-art building, we fondly look back one last time.

The Paint Branch Educational Foundation has commissioned a beautiful keepsake to celebrate the exceptional history of Paint Branch High School.

Each finely etched 3-dimensional keepsake is proudly displayed in a lovely box themed with our school colors. Perfect for gift giving at holiday time or graduation.

Proceeds from these beautiful keepsakes will further enhance educational opportunities for our Paint Branch family in the form of program mini-grants for our staff and scholarships for our senior students.

To order your keepsakes, please fill out the order form below and return it in an envelope with a check or money order payable to the Paint Branch HS Educational Foundation.

Please detach and return with your order
